Report of Superintendent of Schools

TO THE SCHOOL BOARD OF JAFFREY:

I herewith submit to you my second annual report. Fortunately the rearrangement of supervisory districts under the new educational law, placing the entire state under supervision, made but little change in the geographical arrangement of this district. The acquaintance with school conditions in the several districts in this union, gained during the past year, has been of great assistance in carrying out the work under the direction of the State Department.

The complete change in the working force of the Conant High School presented a matter of considerable difficulty in view of the great shortage of teachers. For Headmaster we secured Mr. Walter L. Mason of Boothbay Harbor, Maine, a graduate of the University of Maine, a teacher of more than ten years' experience. His ability both as a teacher and as an executive was shown from the outset, and with the capable and well trained assistants obtained, the school has been able to maintain a creditable standard. Not only is the school approved by the State Department, but we also maintain our standing with the College Entrance Board, which admits, without examination, graduates of the school to all colleges working under this agreement.

The enrollment of the high school has been 54 as against 53 last year, and the average attendance 50 as against 43 last year. This improvement in attendance and the greatly improved spirit of the school has been an important factor in maintaining the standard of the school.

Last year we recommended the election of another teacher to assist in the development of the junior high department, and Mr. William R. Higgins was secured in April to take part of the work in grades seven and eight. At the opening of school in September Miss Smith, who taught the sixth grade last year, was made principal of the junior high department. The seventh and eighth grades are now receiving the attention they deserve and I am sure the results will be shown in greatly improved work as they advance into the high school.

In the primary building Miss Costello was transferred at her own request from the first to the fourth grade, and Miss Mabel Enslin, a graduate of Fitchburg Normal School, a teacher with two years experience, succeeded Miss Costello in the first grade. This was the only change in the primary school. The room in Union Hall that was opened a year ago to relieve the congestion in the first two grades has been continued with Miss Wetherbee

in charge. Thirty pupils are thus given special attention, allowing 48 in the regular first grade and 45 in the regular second grade.

These grades are still too large for the best work to be done, but conditions are vastly better than they were before the opening of the room in Union Hall. We need a similar room for the backward pupils in grades three and four, but there seems to be nothing available at present.

The two rural schools remain practically the same size as last year. There are fourteen pupils at No. 4, and thirteen at No. 9. Both schools are taught by the same teachers as last year.

We were able to secure a supervisor of Music this year and Miss Ethel C. Grimes of Peterborough has charge of this work which is keenly appreciated by both pupils and teachers. Miss Grimes devotes one day each week to the village schools and also attends to the work in the rural schools.

At the opening of the next school year the high school will have three courses offered, Academic, Commercial and Domestic Arts. The old general course is being offered this year for the last time. The development of the Commercial and Domestic Arts courses to give four full years of work will confine the teachers of these courses pretty closely to the work in their own departments and in order to properly develop the junior high department a new teacher will be needed at the opening of another year.

Noon lunches have been served by the Domestic Arts department as was the case last year and have continued to be popular.

The matter of transportation has been one of grave concern on account of the large number of pupils carried both on the route from Jaffrey Center and Squantum. The school board have purchased two Wayne School cars to run on these routes which, we believe, will make conditions much more satisfactory. These cars were ordered in December, but owing to the congestion of freight they have not yet arrived.

The evening school has been carried on three evenings a week since the middle of October. The enrollment has not been as large as last year but the conditions seem to warrant its continuance. Mr. Mason has attended to the greater part of the work although Miss Hildreth and Mr. W. W. Hildreth have assisted during part of the time.

Probably the most important problem facing not only Jaffrey, but also every other school district in this section, is that of retaining an efficient teaching force for another year. General Streeter of the State Board of Education quotes figures showing that twenty-two per cent. of the teaching force of the

entire country have dropped out of the profession during the past year. The positions thus left are either still vacant or filled largely by immature and untrained teachers.

The reason most generally assigned for these conditions is the inadequacy of salaries to hold teachers now in service and attract new ones to that service. Our New Hampshire normal schools are graduating barely fifty per cent. of the number graduated only a year ago.

In order to meet this situation a substantial raise in salaries must be granted and I believe we shall not look in vain to the citizens of Jaffrey in this matter. We have fared exceptionally well in our schools during this period of unrest. One half of our teaching force of last year returned and the new members are all but two experienced teachers, and those two have received excellent training for their work. Having assembled such a capable teaching staff under present conditions I feel that we should exert every effort to retain it.

These are the conditions as I have found them in our local schools; also the few suggestions based upon a careful consideration. Our schools are not ideal. Schools open to criticism do not exist. To one critic the school accomplishes too little. Another finds his child is working too hard. Does one ever consider that this year a teacher may have a class whose unity is marked? It may be possible to find next year's class for the same grade one of stragglers. There is the possibility of one-half the scholars in a class holding back the entire number. This we have tried to eliminate by special divisions for grades, one, two, five and six. We need a similar room for pupils from grades three and four. Instead of telling what ought to be done here simply because it is done somewhere else I believe it is better to first see what the local conditions allow us to do.

The normal conditions of school life allow regular promotions. If a child is physically able to attend school; if he brings with him the co-operation of his parents; if he is not tied hand and foot by outside engagements; if he entrusts his welfare to his teacher, the doubts about his promotion are in the imagination.

Our schools are the centers for the growing, working life. From them comes the best. In every child there is a best. It is the aim of the Jaffrey schools to find that best.

Thanking the citizens, teachers, pupils and members of the school board for the loyal support given me, I remain

Very cordially yours,

LEWIS S. RECORD,
Superintendent of Schools.

Abstract of Business Transacted at the Annual Town Meeting

March 11, 1919

Officers elected: Town Clerk, John G. Townsend; first selectman, William F. Coolidge; second selectman, Peter E. Hogan; third selectman, Edward C. Boynton; town treasurer, John G. Townsend; Overseer of poor, George I. Nute; water commissioner for three years, George J. Cournoyer; chief engineer fire department, Lewis W. Davis; three highway agents, Wilbur E. Webster, James H. Fitzgerald and George J. Cournoyer; auditors, George A. Adams, Russell B. Henchman and Arthur M. Hatch; tax collector, Samuel H. Mower; trustee of trust funds for three years, Will J. Mower; commissioner of Humiston Field for three years, Louis F. Meyers; voted that the remaining officers be appointed by the selectmen.

Voted to accept and adopt the reports as printed, with the exception of the selectmen's estimate of appropriations.

Voted to make the State tax \$7000.00, and the County tax \$5000.00 in the selectmen's estimate of appropriations.

Voted to accept and adopt the balance of the selectmen's estimate as printed.

Voted to pass over Art. 4 (Liquor Agent).

Voted that the selectmen be instructed to borrow such sums of money as may be necessary in anticipation of taxes.

Voted that the selectmen be instructed to apply for state aid for permanent highways and raise and appropriate \$704.00 in addition to the amount in the selectmen's estimate for the same purpose,

Voted to pass article 7. (included in selectmen's estimate)

Voted to pay Firemen same as last year, with twelve practice meetings.

Voted to pass article 9. (Relative to enforcing law July 4)

Voted to raise and appropriate \$150.00 to be paid the East Jaffrey Band for series of concerts, at least two to be given at Jaffrey Center.

Voted to pass over article 11. (Contract with Derry Electric Co.)

Voted to raise and appropriate \$600.00 to aid in the support of a District nurse.

Voted that we raise and appropriate \$500.00 for laying dust in the streets to be in charge of the selectmen.

Voted to raise and appropriate \$150.00 for the Humiston Field.

Voted to raise and appropriate \$600.00 to put in a tile drain on Main St., beginning at the junction of School and Main Streets, to take care of the surface water and that the location be fixed and the work done under direction of the selectmen.

Voted Unanimously, That,

Whereas, Bugler John Humiston, Company B, Machine Gun Battalion, 103rd Regiment, 26th Division, was the only son of Jaffrey to lose his life in action in the world war, recently brought to a close, and

Whereas, Franklin G. Humiston gave twenty-six years of his life in loving ministry to the sick of Jaffrey and twelve years in the service of its youth as a member of its School Board, be it

Resolved, That the recreation ground heretofore known as the "Warren Ground" be hereafter called "Humiston Field" in respect to their memory: and be it further

Resolved, That the Commissioners of Recreation Park be authorized and instructed to procure and place in position on Humiston Field a suitable tablet to remind posterity of the services of these noble men; and be it further

Resolved, That a copy of these resolutions be transmitted by the Town Clerk to the widow and mother, Mrs. Carrie R. Humiston.

Voted unanimously, That,

Whereas, Roy S. Ellison, Hermon C. Charlonne and George L. Stratton lost their lives in the service of their country, therefore be it resolved, that in recognition of their sacrifice the town of Jaffrey instruct the Selectmen to rename three streets in honor of these men.

Voted to raise and appropriate \$25.00 to repair the watering tub at Jaffrey Center.

Voted to raise and appropriate \$300.00 for repair of coal ash sidewalks.

Voted that the town accept the sum of \$100.00 from the Estate of Edward B. Crowe, the same to be placed in trust, in the Cemetery fund, and the town assume the care of the Crowe lot in the Catholic Cemetery at East Jaffrey.

Voted that the matter of a bridge near the "Carey crossing" so-called, be left in the hands of the selectmen to investigate and report their findings at some future town meeting.

Voted, That, the town raise and appropriate \$594.80 in addition to the amount of \$2500.00, already raised, for highway trunk lines, in order to receive the State Federal money.

Voted to adjourn.

Respectfully submitted,

JOHN G. TOWNSEND, Town Clerk

Abstract of Business Transacted at a Special Town Meeting Aug. 14, 1919

Voted that the privilege of the floor be given to all present, who are not voters.

Mr. Pope Yeatman read a statement of what in his opinion should be done to permanently improve the turnpike road from Jaffrey Center to the Troy line, and stated that if the town would spend \$2000.00 now, he would give \$1000.00 more, all to be expended in making permanent improvements on said road as far as the money would go.

Voted, That, the selectmen be authorized to spend Two Thousand Dollars on permanent road improvement on the Keene turnpike from Jaffrey Center to the Troy line, and accept the offer of Mr. Pope Yeatman to give to the town One Thousand Dollars for the same purpose and to spend said \$1000.00 also on the improvement of said road.

Voted that the town extend a vote of thanks to Mr Pope Yeatman for his assistance in this matter.

Voted to adjourn.

Respectfully submitted.

JOHN G. TOWNSEND, Town Clerk

ABSTRACT OF BUSINESS TRANSACTED AT THE ANNUAL TOWN MEETING MARCH 9, 1920

Officers elected : Town Clerk, John G. Townsend ; first selectman, Peter E. Hogan ; second selectman, Edward C. Boynton ; third selectman, William F. Coolidge ; town treasurer, John G. Townsend ; overseer of poor, Glenn A. Hunt ; water commissioner for three years, Charles L. Rich ; chief engineer of fire department, Julius H. Parrott ; road agents or commissioners, Wilbur E. Webster, James H. Fitzgerald and George J. Cournoyer ; auditors, Frank H. Baldwin, Russel B. Henchman and George A. Adams ; trustee of trust funds for three years, John G. Townsend ; tax collector, Samuel H. Mower ; commissioner of Humiston Park for three years, Joseph E. Donahue. Voted that the remaining officers be appointed by the selectmen.

Voted to accept and adopt the town reports as printed, with the exception of the selectmen's estimate, same to be taken up later.

Voted to take up Articles 12, 13, 14, 15 and 16 at this time.

Voted, under Art. 12, That the town accept the provisions of Chapter 117, Laws of 1917, on a section of the Contoocook Valley Road, and set aside from the amount raised for highway work, the sum of \$300.00 for this purpose.

Voted, under Art. 13, That the town instruct the selectmen to apply for State aid for permanent highways for the year 1920, raise and appropriate the sum of \$2,761.50 for same.

Voted, under Art. 14, That the town raise and appropriate the sum of \$5,000.00 for trunk line construction.

Voted, under Art. 15, That the town raise and appropriate the sum of \$1,700.00 for State aid maintenance of state roads.

Voted, under Art. 16, That the town raise and appropriate the sum of \$300.00 for trunk line maintenance.

Voted to accept the selectmen's estimate, as amended, and raise and appropriate same.

Voted that the selectmen be authorized to borrow such sums of money as may be necessary, in anticipation of taxes.

Voted that the pay of the firemen be the same as last year.

Voted to instruct the selectmen and chief of police to enforce the law relating to the use of explosives on the 4th of July.

Voted that Art. 7, (electric light contract) be left with the selectmen to adjust.

Voted that the town raise and appropriate \$600.00 to aid in the maintenance of a district nurse.

Voted to raise and appropriate \$500.00 for sprinkling streets, to be under the supervision of the highway commission.

Voted that the selectmen be instructed to release that part of the Slade land that has been sold for building purposes.

Voted to pass over Art. 11, (Fire alarms.)

Voted that the town allow John E. Baldwin to withdraw the amount he paid the town trust funds, if the same can be done legally.

Voted to pass over Art. 18. (Discontinuing Johnson road.)

Voted that the town raise and appropriate the sum of \$400.00 to be made available until spent, to be used in co-operation with the State and Federal Government to control the white pine tree blister.

Voted that the town raise and appropriate \$400.00 to purchase a new road machine, under the supervision of the highway commission.

The following resolution was passed : Resolved that it is the opinion of those present that it is best to discontinue the Carey Road and Bridge from the Rindge road to the Carey house, provided the town can secure \$500.00 from the railroad and the expense be not over \$1,000.00.

At 2 P. M. the ballot for Presidential Primary was publicly opened, the ballots counted and the Moderator made a public declaration of the whole number of tickets given in for each party and the names of each person voted for and the number of votes for each.

Voted to adjourn.

Respectfully submitted,

JOHN G. TOWNSEND,

Town Clerk

REPORT ON CAREY CROSSING

Agreement has been made with the Carey Heirs, and the Railroad Company, so the crossing has been closed, but deed has not been passed, the Railroad to pay \$500, and the Town \$500, for closing of the road. This saves the building of the bridge at a cost of about \$10,000.

REPORT OF HEALTH OFFICER

In rendering this report, I wish to thank the Physicians, District Nurse and all other persons, for the help they have given me the past year to make our town a clean and healthy place to live in. I would urge all property owners to abolish all unsanitary conditions about their buildings, as it is much better to do this than to wait until sick and employ a physician.

There have been several cases of Measles in one of the schools, and five cases of Scarlet Fever, one proving fatal, the others mild form.

There have been built by owners of houses this year, several Septic Tanks, which is a wise thing to do unless on line of town built sewer system.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Jaffrey :

I herewith submit to you my third annual report, the twelfth under district supervision.

The enrollment of the Conant High School is 65 and the average attendance 62.33. The largest previous enrollment was 58 and the largest average attendance previous to the present year was 49.33.

Three out of four of last year's high school teaching force were retained, Miss Sheldrick succeeding Miss Hildreth as the head of the commercial department, Miss Osgerby was assigned to take charge of the English in both the junior and senior departments of the high school, and Miss Smith transferred from grade VII to grade VIII with work in the Domestic Arts classes.

Miss McGregor was transferred from the B division of grade VI to the A division and Miss Norton placed in charge of the B divisions of grade V and VI.

At the primary building the A divisions of the first four grades are taught by the same teachers as last year. As suggested last year a new room was fitted up in the Union Hall building for the B divisions of Grades III and IV and placed in charge of Miss Sarah L. Jennings who taught in District No. 4 during the past two years.

Miss Weeks succeeded Miss Wetherbee as teacher of the B divisions of grades I and II, Miss Belcher succeeded Miss Jennings at Dist. No. 4, and Miss Corliss succeeded Miss Walker in District No. 9.

Miss Grimes has continued her work as supervisor of music in both the village and rural schools.

Miss Hiller, as school nurse, has given close attention to the several schools and in addition to the regular duties of examining the pupils as required by the State department, has given close attention to all matters relating to the health of the pupils.

The Domestic Arts department has continued to serve noon lunches at the high school, and lunches are also being served at the primary building. Through the generosity of public spirited citizens a fund has been started to allow the serving of a more substantial lunch at a minimum expense. On account of the large number of pupils who are transported from the outside districts this plan has been keenly appreciated.

The matter of transportation is still one of the big problems of the district. The two Wayne cars purchased last year began running in the spring term and have taken care of the pupils on the two largest routes.

A substantial increase in salaries was granted last year and we were thus enabled to retain the greater number of our teachers. Few districts in the state were able to retain so many experienced teachers even with greater increases. This, I believe, shows that our teachers realize that their work has been appreciated.

In spite of the increases in salaries granted during the past two years our teachers are not paid any more than their training and services warrant. There should be, however, more of a difference between the salaries paid trained and experienced teachers and beginners. We should not have to pay new teachers another year as much as those who have served long and successfully. I believe that conditions will allow the adoption of a carefully graded salary scale very soon.

The attendance at our evening school has been much better than last year. Our manufacturers have shown an excellent spirit of co-operation in the matter of requiring pupils between the ages of sixteen and twenty-one to attend. Several pupils, who at the

opening session in October, were unable to read, have since passed a very creditable examination, and a fair number have been regular n attendance in the more advanced classes.

The work begun two years ago in relieving the congestion in the lower grades by forming two divisions in all grades through the sixth has already shown substantial results. The work of the first division in each grade has been well above the requirements, and the pupils who are unable to do the work of the regular grade have teachers who have the time to give them the attention that is needed. The standing of the seventh and eighth grades this year is such that we may expect a large increase in the enrollment of the high school during the next two years.

The work of the high school has received high commendation from the Deputy Commissioner of Education who has made two extended visits during the past year and has carefully gone over the work of the school.

These results have not been attained without earnest, faithful work on the part of our teachers, careful planning on the part of the superintendent, and the generous and hearty co-operation of the school board.

There should be no backward step. Our schools deserve the best we can give them. Your homes have an assessed value, but your children are priceless. The children of this town are the best asset of Jaffrey. To the development of this asset we should bend every energy.

In closing I wish to thank the citizens, teachers, pupils and members of school board for the loyal support given me during the past year.

Very cordially yours,

LEWIS S. RECORD,

Superintendent of Schools.

East Jaffrey, N. H., January 31, 1921.

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Jaffrey, in the County of Cheshire, Qualified to Vote in Town Affairs:—

You are hereby notified to meet at Union Hall, in said Town, on Tuesday, the eighth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects.

1. To choose a Town Clerk, one Selectman to serve for one year, one Selectman to serve for two years, one Selectman to serve for three years, and all other necessary Town Officers.

2. To bring in your ballots upon each of the questions submitted by the Convention to Revise the Constitution relative to the amendments proposed by said Convention at a session held on January 28, 1921.

3. To hear all reports and act thereon.

4. To raise such sums of money as may be necessary for the support of the poor, building and repairing highways and bridges, library, fire department, Memorial Day, street lights and all other town charges.

5. To see if the Town will vote to instruct the Selectmen to borrow money in anticipation of taxes.

6. To see if the Town will vote to pay the firemen at the same rate as last year, or act in any way relating thereto.

7. To see if the Town will vote to renew the contract with the Derry Electric Company for public lighting or act in any way relating thereto.

8. To see if the Town will vote to raise and appropriate a sum of money to aid in the support of a District Nurse.

9. To see if the Town will vote to raise and appropriate a sum of money to pay for sprinkling streets.

10. To see if the Town will vote to raise the sum of \$5624.50, the same being the amount expended in excess of the appropriation for the year ending January 31, 1921, by the Highway Commissioners, Wilbur E. Webster, James H. Fitzgerald and George J. Cournoyer.

11. To see if the Town will vote to raise and appropriate the sum of \$150.00, to be paid to the East Jaffrey Cornet Band for a series of concerts to be given in the season of 1921, as petitioned for by H. L. Ryder and others.

12. To see if the Town will vote to issue bonds, in an amount not exceeding Thirty Thousand Dollars (\$30,000.00) to fund the indebtedness of the Town, or take such other action in reference to such indebtedness as may be necessary, as petitioned for by Wilbur E. Webster, Louis F. Meyers, E. L. Fay, P. H. Enos, Russel B. Henchman, Frederick C. Sweeney, J. H. Fitzgerald, L. B. Hatch, J. D. Donahue, Delcie D. Bean, Glenn A. Hunt, George H. Gentsch.

13. To see if the Town will vote to raise and appropriate a sum of money to fix the highway to the old "Poor Farm", as asked for by the owner of said farm, Clement R. Lawson.

14. To see if the Town will vote to accept the provisions of Chapter 117, Laws of 1917, for patrol work on a section of the Contoocook Valley Road, so-called, and appropriate or set aside from the amount raised for highway work the sum of \$300.00 for this purpose.

15. To see if the Town will vote to accept State Aid Maintenance, and raise and appropriate the sum of \$700.00 for this purpose.

16. To see if the Town will raise and appropriate the sum of \$325.00 for Trunk Line Maintenance.

17. To see if the Town will vote to instruct the Selectmen to apply for State Aid for permanent highways for the year 1921, raise and appropriate the sum of \$2430.00 to entitle the Town to the same, or act in any way relating thereto.

18. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for Trunk Line Construction, and authorize the Selectmen to borrow whatever additional sum is necessary, for the completion of Project No. 95.

19. To see if the Town will vote to accept the sum of \$100.00 from the estate of John E. Baldwin as a trust fund, the income to be used wholly for the care and repair of his lot in the Cutter Cemetery.

20. To see if the Town will vote to accept from the Jaffrey Development Company, as highways, the rights-of-way shown on plans of said Company, on file in Plan Book 2, Pages 17, 30 and 40 of the Cheshire Registry, and known as follows,—Oak Street, Brook Street, Pine Street, Maple Street, Short Street, Grove Street, Birch Street and Juniper Street, as petitioned for by George H. Duncan and others.

21. To see if the Town will vote to instruct the Water Commissioners to extend the water main down the South Hill in Jaffrey Center as far as the former residence of the late John Brown, raise and appropriate money to pay for same, or act in any way relating thereto, and petitioned for by Robert J. Smith and others.

Given under our hands and seal this nineteenth day of February, 1921.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Jaffrey:

I herewith submit to you my fourth annual report, the thirteenth under district supervision.

For the past three years the enrollment of the Conant High School has shown a steady increase. During the school year 1918-19 the high school had a total enrollment of 53 which dropped to 43 before the close of the spring term. The enrollment for 1919-1920 was 57 with an average membership of 51. For 1920-21 the enrollment showed an increase of 11, the total being 68 with an average membership of 63. The enrollment for the present year is 76 with an average membership of 75. A total increase of 32 pupils in three years certainly is occasion for encouragement, and the fact that several students each year are admitted to college on certificate of the high school, and the fact that the ranks sent back from the colleges indicating the high rank these students are taking in the several institutions indicates the standing of the high school. The report of the High School Inspector also shows that the State Department appreciates the earnest and effective work that is being done in this school.

Prin. Walter L. Mason, who had been headmaster for the past two years, Miss Jennie L. Bond and Miss Lela E. Osgerby of the high school teaching force, all declined their re-elections and we were confronted by a task of considerable size in filling these vacancies.

For head-master no less than sixty applications were filed, but upon following up the references very

few of the applicants appeared to be of the caliber required for this important position. At the request of the school board the superintendent visited the conference at Castine, Me., where he had an opportunity to meet a number of candidates who had written. None of these met our expectations, but while there I was presented to a young man who had met with notable success during the past three years. He had not applied and was not a candidate for the position, but finally decided to accept the place.

Mr. E. B. Marriner, who succeeds Mr. Mason, is a graduate of Colby and has had three years' experience as a high school principal, the last two years at Rangeley, Maine. During the half year that he has been in charge of the high school he has shown himself to be a thorough teacher, an able executive and a citizen who would command respect in any community.

Mr. James P. Carroll succeeds Miss Bond as teacher of French and Latin, and Miss Williams succeeds Miss Osgerby as teacher of English. Both of these teachers are well trained and have been doing good work.

In the grades and rural schools eight out of twelve teachers are new. Out of the eight teachers leaving their positions last June all but one were normal or training school graduates. It was impossible to secure teachers of equal training to fill their places although we were able to secure some with successful experience.

The sixth grade seems to have the greatest difficulty in securing and retaining a suitable teacher. The first teacher disregarded her contract after six weeks of teaching and left without notice. After using a substitute for two weeks we were fortunate in securing Miss Florence M. Murphy for the position which she held until January when she was transferred to the B divisions of grades V-VI and VII, a position that was not opened during the first term although both the sixth and seventh grades were overcrowded, because we could not find a teacher adapted to the individual work required in these divisions.

We have had two excellent substitutes sent from the Normal School at Keene, and I believe that in spite of the changes necessitated in this grade better work is

being done than would have been the case had the first teacher remained throughout the year.

In the rural school No. 4 Miss Belcher is serving her second year. While this school is small and confined to the first six grades the individual interest shown in the pupils has made this school helpful and attractive and a genuine community center has been developed.

In district No. 9 Miss Alice Lehtinen, a graduate of Conant High School who has had experience as a substitute and who attended the summer session at Boston University in 1921, has been placed in charge.

The work done in this school has shown a great improvement over last year.

Miss Hiller has continued her effective work as school nurse. A tabulation of her work in the several rooms is submitted with this report.

Thanksgiving week it was voted by the school board to close the schools for two weeks on account of several cases of Scarlet Fever. The rooms were fumigated and upon reopening Drs. Hatch and Sweeney as well as Miss Hiller gave careful examinations of the pupils and sent out all suspicious cases. Since that time other cases have appeared but, fortunately, all cases have been light.

Miss Grimes of Peterboro has continued her work as supervisor of music for the third year. Those who have seen the schools try to do without a supervisor of music must be convinced that the small amount required for special instruction in music is well spent.

Transportation continues to be a growing problem in this district.

Last spring one small route was opened on the Rindge road, and during the summer vacation the parents of District No. 4 requested the school board to transport the pupils above the sixth grade from that section to the Conant building, grades seven and eight.

This request was granted in spite of the fact that there is no chance for reimbursement from the State since there is a school open in that section. Despite the claims of certain individuals and organizations that sometime and somewhere rural schools could fit pupils

for the high school as well as the village grades, no one realizes better than the residents of our rural sections that the cost of equipment and teachers to do this work would be prohibitive even if the classes were not too small for effective work. The work of the first six grades can be carried on very well in these smaller schools, but those who care to have their children receive a high school education desire them to have the same school advantages as the pupils living in the village and thus prefer to have them attend our seventh and eighth grades.

The attendance at the evening school has been about the same as last year. In addition to the certificates outstanding a year ago requiring illiterates between the age of 16 and 21 to attend evening school seven new certificates requiring such attendance have been issued. Four holding such certificates have, since October 1st, passed their examination in reading and are no longer required to attend.

A number who have completed the work in the grades have taken advantage of the opportunities offered for work in the commercial department.

In the matter of finances Jaffrey was one of the towns heavily cut by the legislation of 1921. During the school year 1920-21 the state aid amounted to \$8,117.45. The amendment to the law of 1919 limited the amount that any town might receive to \$6,000 and it was hoped that we might receive this amount. Had we been able to retain our elementary teachers of last year or to have secured others of the same training this amount would have been awarded, but only a few normal teachers were available, so we were obliged to secure teachers with partial normal courses or summer school courses with some experience. As a result our financial rating is lower than last year and our award is but \$4,565.37 for the present year.

The normal schools will graduate this year a considerably larger number than last year and the year before, and as vacancies occur I feel that we should insist, as far as possible, on securing full normal graduates, and that we should require teachers with only a partial course and little experience to attend summer sessions

until their rating is satisfactory to the State Board of Education.

During 1921 the State Board of Education recommended a program of studies for the elementary schools. This program was devised especially for the school districts maintaining organized junior high schools. The program plainly states that for each district the local course of study is determined by the local school board and superintendent.

A number of cities and towns in the state are following the organized junior high school plan but a far larger number of districts are not yet ready to follow this program in detail. No attempt has been made to organize the schools of this district on the full junior high school plan. Our seventh and eighth grades offer French, elementary science, Domestic Arts and English in accordance with this plan, but it has not been considered advisable to ask for an appropriation necessary to install manual training in those grades.

We also feel that a large majority of our pupils should continue work in geography, arithmetic and grammar through the seventh and eighth grades, and for this reason a program somewhat between the old program and the 1921 program is being followed.

In order that interested parents and citizens may have the opportunity of becoming acquainted with our course of study I suggest that a printed course of study be prepared so that copies may be available for all who are interested. This has been done recently in Fitzwilliam where an organized junior high school is carried on, but where local conditions make a slight departure from the State program advisable.

As above suggested, the awarding of only \$4,500 by the State in the matter of state aid, and the opening of the transportation route from District No. 4, as well as the necessity of putting on a larger conveyance on the Sirois route makes it necessary to ask for about \$2,500 as a deficiency appropriation to carry through the work of the year. The appropriations for the next school year must be made on the estimate that the state aid will not vary materially from that granted the present year, since the awards to the districts qualifying in group A are to be the same next year as this year.

I believe that the present outlook is encouraging. While it has been something of a task for so many new teachers to adjust themselves to the work under new conditions, I find that the teachers, almost without exception, have welcomed suggestions and have faithfully endeavored to carry on their work for the best interest of the school. It is in many ways fortunate that these many changes came about this year instead of last year and two years ago, since the work has been so well organized and developed that it has not been difficult to take up the work where it has been left.

Thanking citizens, teachers, pupils and members of the school board for the cordial support given me in my work, I am

Very truly yours,

LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H., January 31, 1922.
